**Faurecia Invoicing
Fiscal Names and
Addresses list – 01/2021**

Faurecia Bill-to Fiscal name and address by ordering site + PDF ingestion email

Pay attention: Names and addresses below are NOT the mail to postal boxes to which you can send your invoices (if processed in paper)

The list of names and addresses below correspond to Faurecia Bill-to fiscal names and addresses under which your invoices must be established. We highly recommend using Ariba PDF invoice channel, invoices list csv upload, Ariba PO flip capabilities or PDF email ingestion process to send your invoices. Please consider the following points:

- The Faurecia bill-to fiscal ID (country tax ID, VAT registration number) must be checked on FAURECIA Purchase Order
- Strictly avoid using paper invoice submission through postal mail boxes
- Consider your country specific regulation to process your invoices
