Supplier shall be liable for all Liabilities including but not limited to lost profits, penalties or costs imposed by Customer on Company, either in whole or in part caused by, arising from, or in connection with Supplier’s default.

26.2.2 Company may terminate a Purchase order in whole or in part, in the event of a change in control/ownership of Supplier or the sale by the Supplier of a material part of the assets used to perform under a Purchase Order. Any such termination shall be a termination for cause and shall be without cost to Company. In such case, Supplier shall remain subject to the damages set forth in 25.2.1 the Company.

26.2.3 Company may immediately terminate, in whole or in part, any Purchase Order if Company determines, in its sole discretion, that Supplier has breached its obligations to perform in compliance with Company’s Code of Ethics, QAA, Warranty Agreement and related policies. In such case, Supplier shall be liable for Liabilities arising from, or in connection with such default.
26.2.4 If Company believes Supplier may breach its obligations under this Contract or any Purchase Order or Statement of Work hereunder, Company may, but shall not be obligated to, demand adequate assurances from Supplier. In such case, Supplier shall provide, in the detail and in the form required by the Company such adequate assurances that it is capable of and will continue to perform in conformity with its obligations hereunder. Supplier shall provide such adequate assurances within five (5) calendar days following a written request by Company.

26.3 Termination Upon Insolvency or Bankruptcy.
Company may terminate a Purchase Order, without liability, in the event of the insolvency, bankruptcy, reorganization, arrangement, receivership or liquidation by or against Supplier; or if Supplier fails to provide adequate written assurance of adequate performance after demand by the Company as set forth in Section 26.2.4; or if Supplier makes an assignment for the benefit of creditors or ceases to carry on business in the ordinary course. If Company does not terminate a Purchase Order upon the occurrence of Supplier’s Insolvency or Bankruptcy, Company may make such equitable adjustments to the price, payment terms and/or delivery requirements as Company deems appropriate to address the change in Supplier’s circumstances, including Supplier’s on-going liability to perform its obligations regarding warranty, defective Customer Products, or other requirements under a Purchase Order.

26.4 Termination or Suspension for Prolonged Excusable Delay or Force Majeure.
If any delay whether or not permissible in accordance with Section 27 below, lasts longer than thirty (30) days, Company may terminate the Purchase Order without liability and Supplier shall reimburse the Company for all costs associated with the termination.

26.5 Consequences of theExpiration or Termination of the Contract.
Provisions of the Contract that, by their nature, extend beyond the end of the Contract shall remain valid after the end of the Contract. This shall apply regardless the reason for which the Contract comes to an end.

Upon termination of the Contract for any reason and against reasonable consideration, Supplier shall immediately, upon demand by Company, deliver to the Company all inventories of raw materials and parts, work-in-process and/or finished Contractual Products and/or any related safety equipment used in the performance of the Contract and which are in its possession at the effective date of termination.

27. EXCUSABLE DELAY; FORCE MAJEURE

27.1 Force Majeure. If the performance of the Contract is prevented, delayed or suspended by reason of a Force Majeure event, Supplier shall, as soon as possible (but no more than one full business day) after the occurrence, provide written notice to the Company describing such delay, the causes thereof, remedial steps being taken to mitigate impact on Company and its Customer, the anticipated duration of the
delay and the time that the delay will be cured consistent with this Section 27. Supplier’s inability to perform as a result, or delays caused by, the Supplier’s insolvency or lack of financial resources is deemed to be within the Supplier’s control. The change in cost or availability of materials or components based on market conditions, supplier actions, or contract disputes or any labor strike or other labor disruption applicable to the Supplier or any of its Subcontractors or suppliers, will not excuse the Supplier’s performance (under theories of force majeure, commercial impracticability or otherwise), and Supplier assumes these risks.

27.1.1 **Company Options.** During the delay or failure to perform by Supplier, Company may at its sole option: (a) purchase supplies from other sources and reduce its schedules to Supplier by such quantities, without liability to Company; (b) require Supplier to deliver to Company at the Company’s expense all finished goods, work in process and parts and materials produced or acquired for work under the Purchase Order; (c) have Supplier provide supplies from other sources in quantities and at a time requested by the Company and at the price set forth in the Purchase Order; or (d) Company may source the Customer Products from an alternative source and Supplier shall reimburse Company for any difference in cost in procuring such Customer Products, including but not limited to price differences, expedited shipping/freight costs or similar costs.

27.1.2 Supplier, at its sole cost and expense, shall use best efforts to mitigate any adverse effects or costs to Company due to any actual or potential delay, including (i) the implementation of a production contingency plan; (ii) expedited freight and shipping; (iii) sourcing through alternative locations/jurisdictions; and (iv) upon Company’s express written authorization, increasing Supplier’s inventory of finished goods or Contractual Products to a level sufficient to sustain deliveries during such delay. Supplier will cooperate with the Company in securing alternate supplies, providing requested information, including specifications and processes, as to the event and duration, and in any investigation into whether an event is under the Supplier’s reasonable control or not.

27.1.3 Company may delay acceptance of delivery of the Contractual Products and/or performance of the Contractual Services by reason of an excusable delay. In such case, Supplier shall hold the Contractual Products or delay performance of the Contractual Services, at Company’s direction and at no cost to Company, until the cause of the excusable delay has been removed.

27.1.4 Without limiting Supplier’s obligations hereunder, in the event of any supply allocation, including that caused by a Force Majeure Event, Supplier shall give preference to Company for all of the Contractual Products and dedication of persons for the delivery of the Contractual Services ordered under any Purchase Order.
27.1.5 In addition, Supplier at its expense will take all necessary actions to ensure the supply of Customer Products to Company for a period of at least 30 days during any anticipated labor disruption or resulting from the expiration of Supplier’s labor contracts. If upon Company’s request, Supplier fails to provide within ten (10) days (or such shorter period as the Company requires) adequate assurance that any delay will not exceed thirty (30) days, or if any delay lasts longer than thirty (30) days, the Company may terminate the Purchase Order without liability and the Supplier shall reimburse the Company for costs associated with the termination.

28. RECALL; RECALL LIABILITY

Upon the occurrence of a Recall, if a potential cause for the Recall is determined in Company’s reasonable judgment to be attributable to Supplier, Supplier will release, defend, indemnify and hold the Forvia Indemnified Parties harmless for all Liabilities, including but not limited to the costs of any services or other actions incurred to correct or to remedy any Recall. The Forvia Indemnified Party remedies under this Section shall include, but not be limited to, all Liabilities arising out of, resulting from or related to any such Recall. The term “Recall” shall mean (i) in the absence of an order issued by the United States Secretary of Transportation (the “Secretary”) or any other applicable governmental agency or authority notification by the Customer to the Secretary, governmental authority of such other foreign country and to owners, purchasers, and dealers as required under section 151 of the National Traffic and Motor Vehicle Safety Act of 1966, as amended (the “Act”) (15 USCS § 1411) or comparable federal or provincial law of a foreign country, that any motor vehicle or item of replacement equipment contains a defect related to motor vehicle safety or that such vehicle or item of replacement equipment fails to comply with an applicable federal, state or provincial motor vehicle safety standard, or such other notification as may be required under any other federal, state or provincial applicable law and/or (ii) an order by the Secretary pursuant to section 152(b) of the Act (15 USCS §1412(b)) with respect to any motor vehicle or item of replacement equipment which fails to comply with an applicable federal motor vehicle safety standard or contains a defect which relates to motor vehicle safety, or an order by any other applicable governmental agency or authority requiring notification and remedial action on the part of the any Forvia Indemnified Party with respect to any motor vehicle or item of replacement equipment. Any decision by Company, in its sole discretion, to contest in a legal proceeding or any determination by the Secretary, or any other governmental agency or authority, with respect to a Recall order shall not waive or diminish in any manner any rights of the Forvia Indemnified Parties under the provisions of this Section. The Forvia Indemnified Party rights under this Section shall be cumulative and additional to any remedies provided by law or in equity.

29. LIMITATION ON REMEDIES, LIABILITIES AND DAMAGES

Company’s entire liability to Supplier for any loss, liability or damage, including attorneys’ fees, for any and all liabilities arising out of or related to the Customer Products, regardless of form of action, will be limited to Supplier’s actual direct out-of-pocket expenses which are reasonably incurred by Supplier, and only to the extent that sufficient and acceptable documentary evidence of such damages is presented to Company. In no event will Supplier’s recovery exceed the total amount of purchases by Company during the three (3) month period immediately preceding such claim. IN NO EVENT WILL THE COMPANY OR ANY FORVIA INDEMNIFIED PARTY BE
30. INDEMNIFICATION

Supplier agrees to indemnify, defend, protect and hold harmless Forvia Indemnified Parties from and against any and all Liabilities.

31. REMEDIES

31.1 Cumulative Remedies. The remedies provided by these GPC and at law are cumulative and in addition to any other rights and remedies available to Company at Law, in equity or otherwise. Supplier hereby waives any claims that it may have against the Company in tort, under statute or in equity, and confirms that Supplier’s complete rights and remedies as against Company, including the right of indemnity and measure of damages in the event of Company’s breach or default, are limited to those expressly conferred by or provided for in these GPC.

31.2 Continued Performance. Notwithstanding the termination of a Purchase Order, in whole or part, whether for cause or convenience, so long as during the Transition Period, as defined hereinafter, and provided that Company timely pays the pricing set forth on the Purchase Order for such Customer Products, Supplier shall have the absolute obligation to continue to provide or deliver the Customer Products in accordance with the terms of the Purchase Order for a reasonable period of time to permit Company the opportunity to procure a replacement supplier, to permit an orderly transition of the production of the Customer Products and to avoid any interruption of production at the Company’s facilities or the facilities of the Customer. Such period being referred to herein as the “Transition Period.” Supplier will cooperate with Company and its replacement supplier in transitioning the work to a replacement supplier.

31.3 IRREPARABLE HARM. THE PARTIES FURTHER AGREE THAT ANY BREACH OF THESE GPC OR A PURCHASE ORDER OR THREAT OF BREACH BY THE SUPPLIER THAT WOULD HAVE THE EFFECT OF INTERRUPTING PRODUCTION OF COMPANY OR THE CUSTOMER, WOULD RESULT IN IRREPARABLE HARM TO COMPANY, ITS CUSTOMERS AND THE BUSINESS AND REPUTATION OF EACH OF THEM, AND THAT MONEY DAMAGES WOULD NOT BE A SUFFICIENT REMEDY FOR ANY SUCH BREACH. THE PARTIES AGREE THAT IN SUCH EVENT COMPANY SHALL BE ENTITLED TO EQUITABLE RELIEF, INCLUDING INJUNCTION AND SPECIFIC PERFORMANCE, REQUIRING FURTHER PRODUCTION OF CONTRACTUAL PRODUCTS AND/OR THE PROVISION OF CONTRACTUAL SERVICES, AS A REMEDY FOR ANY SUCH BREACH OR CLAIMED BREACH. FOR PURPOSES OF CLARITY, IN THE EVENT THAT SUPPLIER TAKES OR THREATENS TO TAKE ACTION (OR FAILS TO ACT) IN A MANNER THAT DISRUPTS OR THREATENS TO DISRUPT COMPANY’S ABILITY TO PRODUCE AND DELIVER TO ITS CUSTOMERS ON SCHEDULE, COMPANY SHALL HAVE THE RIGHT TO SEEK SPECIFIC PERFORMANCE OF A PURCHASE ORDER IN A COURT OF THE COMPANY’S CHOOSING WITHOUT APPLICATION OF PRINCIPLES OF CONFLICTS OF LAW.
31.4 **Legal Fees.** For purposes of clarity, in addition to any other remedy available to the Forvia Indemnified Parties, the Forvia Indemnified Parties shall be entitled to recover its costs, reasonable attorneys’ fees and costs, witness and expert fees and other costs incurred in connection with any legal proceeding brought by or against any Forvia Indemnified Party.

32. **SERVICE AND REPLACEMENT PARTS**

During serial production, Supplier will sell to Company all Contractual Products necessary for it to fulfill its current model service and replacement parts requirements at the price(s) set forth in the Purchase Order issued for the production Contractual Products. If the Contractual Products are systems or modules, Supplier will sell the components or parts that comprise the system or module at price(s) that shall not, in the aggregate, exceed the price of the system or module less assembly costs. During the fifteen (15)-year period after Company completes current model purchases, or such later period designated by the Customer, Supplier will sell goods and/or Contractual Products to the Company to fulfill the Company’s past model service and replacement parts requirements. Unless otherwise agreed to by Company in writing, the price(s) during the first five (5) years of this period shall be the prices set forth in the final production Purchase Order. For the remainder of this period, the price(s) for Contractual Products shall be a reasonable price as agreed to by the parties in good faith.

Supplier shall be responsible for ascertaining the Customer’s general terms and conditions that may affect Supplier’s obligations hereunder. Without restricting the foregoing, Supplier shall take such steps within Supplier’s control to enable the Company to meet its obligations to the Customer under the Customer’s purchase orders.

33.1 **Customer Terms Update.** Company may, from time to time, in its sole discretion, provide Supplier with information regarding the applicable Customer Terms, but, in any event, Supplier shall remain responsible for ascertaining the Customer Terms that may affect Supplier’s obligation hereunder and hereby agrees to be bound to such Customer Terms.

33.2 **Conflict of Terms.** If there is any conflict between the provisions of the Customer Terms and any provisions of the Purchase Order, Company shall have the sole and exclusive right to determine which terms shall govern.

33.3 **Customer Insolvency.** In the event that the Customer threatens or suffers an insolvency event, in the course of any proceedings relating to such insolvency event and in connection with actual or threatened termination by the Customer of its contract(s) with Company, Company permits a reduction in the prices paid by Customer for Contractual Products or Contractual Services, then the prices paid to Supplier for such Contractual Products or Contractual Services from and after the date of such reduction will be automatically adjusted proportionately.
by the same percentage as the price reduction granted to the Customer, and the Purchase Order(s) shall otherwise remain in effect without modification.

33.4 **Assignment of Accounts Payable.** In the event Customer fails to pay Company for the products incorporating the Customer Products, Company reserves the right to assign to Supplier the right to collect such amounts directly from the Customer, in whole or in part, and Supplier agrees to accept such assignment as payment for any invoices due from Company to Supplier on a dollar-for-dollar basis. In such case, Supplier shall release Company of any liens or similar obligations upon completion of such assignment.

33.5 **Payment Term Adjustments.** In addition to any other rights or remedies provided under this Contract or any Purchase Order, if the Customer designated Supplier as a Mandated Supplier, (i) Company will pay Supplier for the Customer Products received only after and to the extent of, and in proportion to, Company’s actual receipt of payment from the Customer for those products into which the Customer Products are incorporated; (ii) any lengthening of Customer’s payment terms to Company for those products into which the Customer Products are incorporated will automatically lengthen the payment terms as between Company and Supplier in proportion to the change in Customer Terms; and (iii) within three (3) days of any change in price, specifications or other terms negotiated or proposed between Supplier and Customer, Supplier shall notify Company in writing and immediately adjust its invoices to reflect any price reduction, provided that no change will be binding on Company without Company’s specific written consent.

34. **APPLICABLE LAW - JURISDICTION**

34.1 **Interpretation.** If the location of the Company from which the Purchase Order is issued by is in the United States of America, the terms of such Purchase Order shall by interpreted and enforced in accordance with the laws of the State of Michigan, exclusive of the choice of law rules. The United Nations Convention on the International Sale of Goods shall not apply.

34.2 **Good Faith Negotiation.** The Contracting Parties shall endeavour to amicably resolve differences of opinion with respect to the interpretation, performance or termination of the Contract prior to bringing a complaint or initiating an arbitration proceeding.

34.3 **Venue.** For any legal or equitable action arising out of any Purchase Order from which the location of the Company issuing the Purchase Order is within the United States of America, Supplier consents to the exclusive jurisdiction of the U.S. District Court for the Eastern District of Michigan, Southern Division or to the State courts in the County of
Oakland, Michigan. In any action filed by or against Supplier, Company shall be entitled to recover its costs, reasonable attorneys’ fees and costs and expert witness fees and costs if it is found to be a prevailing party in any respect. EACH OF COMPANY AND SUPPLIER, AFTER CONSULTING (OR HAVING THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF ITS CHOICE, KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAVIES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR OTHER LEGAL PROCEEDING ARISING OUT OF OR RELATING TO ANY ORDER OR OTHER DOCUMENT PERTAINING TO ANY ORDER.

35. GENERAL PROVISIONS

35.1 Liability for Subcontractors. Consent by the Company shall not limit the liability of Supplier. Supplier shall be liable on an unrestricted basis for the acts and omissions of the Subcontractor.

35.2 Tort Recovery. Company’s rights and Supplier’s obligations under any Purchase Order shall not limit in any way whatsoever Supplier’s common law tort obligations or Company’s right to sue in tort in addition, or as an alternative to suing under contract principles. Supplier hereby waives the right to sue in tort in respect to any matter that is addressed, in whole or in part, by the Contractual Documents, including this Contract or any Purchase Order.

35.3 Assignment of Claims. Supplier shall not be entitled to assign claims arising from this Contract to third parties without the prior written consent of the Company. Company may not unfairly deny consent. If Supplier assigns its claims against Company without the necessary consent, the Company can, at its discretion, render performance to the Supplier or the relevant third party with obligation-discharging effect.

35.4 Setoff and Retention. Supplier shall only be entitled to set off any claims against Company if such claims have been acknowledged by the Company or judicially established. This shall apply mutatis mutandis to rights of retention of Supplier. Company may deduct or set-off at any time indebtedness from any amounts due or to become due to Supplier (and/or Supplier’s affiliates), with or without notice to Supplier.

35.5 Relationship of the Contracting Parties. If not explicitly agreed differently in writing, the Contract should not be interpreted as:

35.5.1 constituting a de facto company, a joint venture, an agency, a foundation, or any other association of any kind between the Contracting Parties; or
35.5.2 constituting a joint and several liability between the Company and the Affiliates or between the Affiliates among themselves; or

35.8.1 all dates shall be subject to the Gregorian calendar.

35.8.2 working days shall be all weekdays except for Saturdays, Sundays, and U.S. federal public holidays.

35.8.3 for all physical quantities the International Systems of Units (SI) of the International Bureau of Weights and Measures shall apply.

35.9 No Waiver.

The fact that one of the Contracting Parties does not use a right arising from this Contract or by statute at any point in time or demand the use of such right by the other Contracting Party shall not constitute waiver of the use of such right. The Contracting Party shall be entitled to continue to assert such rights.

35.10 Company’s Website.
35.10.1 Company’s internet website (or such other website as may be directed through links on Company’s website, or other supplier portal provided by Company) (the “Company Website”) may contain specific additional requirements for certain items covered by the Purchase Orders, including supply chain and logistics, labelling, packaging, shipping, delivery and quality specifications, procedures, directions and/or instructions. Any such requirements shall be deemed to form part of this Contract and apply to the Purchase Order. Company may periodically update such requirements by posting revisions on Company’s Website.

35.10.2 Company may modify the Purchase Order terms, GPC, QAA, Code of Conduct, Particular Conditions, or this Contract from time to time by posting revised terms to Company’s Website. Such revised terms shall apply to all Purchase Orders and Purchase Order revisions issued on or after the effective date of Company’s posting of the modified terms and conditions. Supplier agrees that it is Supplier’s obligation to review Company’s Website periodically and waives notice of any updates to the Contract, or Purchase Order, other than as such updated terms may be posted on the Company’s website.

35.11 Proof of Origin.

Where applicable, Supplier must provide its long-term-supplier’s declaration for Contractual Products having preferential origin as per Council Regulation (EC) No. 1207/2001 and the applicable addenda to the Company on an unsolicited basis by not later than January 15 of each year.
